Senior/Intermediate Environmental Scientist – Weyburn, S.K.

Matrix Solutions Inc. is a 100% Canadian-owned environmental and engineering consulting company specializing in providing practical solutions to our clients, both domestically and internationally. Over the years, Matrix has expanded both our service and geographical base and has become a recognized leader in:

- environmental and social impact assessments and audits;
- environmental management, planning and regulatory compliance;
- environmental site assessment, remediation and reclamation;
- environmental monitoring;
- hydrology and hydrotechnical engineering; and
- overburden characterization and oil sands delineation.

Our client base includes all levels of government; upstream and downstream oil and gas; mining; power; forestry; agriculture; manufacturing; and commercial developments.

Our Weyburn office seeks an Senior/Intermediate Environmental Scientist to join our growing team. The Environmental Scientist will provide practical, cost-effective, and scientifically-sound solutions to satisfy the needs of our clients.

The responsibilities of this position include: providing technical direction and project management; involvement in Phase I, II, and III site investigations; field related duties which include both soils and groundwater projects; report writing and reviewing; acting as a client liaison; and contribution towards overall business development.

The ideal candidate will have a bachelor or advanced degree in environmental sciences or engineering. A minimum of 5 years of experience is required in an environmental field.

Candidates must be service-oriented, possess the ability to multi-task, be self-motivated, possess strong written and verbal communication skills and be comfortable providing technical direction and mentorship to other professionals.

Matrix Solutions offers a comprehensive compensation package that includes an employee share-ownership program, profit share, employer RSP contributions, and an education fund. But, that's only a piece of what it means to work here! We are also committed to flexible work hours and schedules, team-based work, cross-training opportunities, and rewarding our star performers.
