Job Description

Coordinator, Risk & Regulatory Reporting
Saskatoon, SK

We are looking for an experienced professional to be accountable for the development and implementation of corporate safety, health and environmental programs and procedures, with a primary focus on the audit function. This position will coordinate and conduct audits, risk assessments, regulatory reviews and training to ensure there is a consistent corporate understanding of regulations and industry standards; and provide support to ensure effective risk management, regulatory compliance and reporting.

The successful candidate will have a university degree in a natural or applied science, related designation, and a minimum of 5 years of related experience. Strong verbal/written communication, coaching and presentation/training skills are required.

Tracking number 1664.

Viterra offers a competitive salary, employee share purchase and benefits plan. For more information, please visit Viterra.ca.

How to Apply: - Please submit your resume and cover letter to employment@viterra.ca OR Victoria Avenue, Regina, SK S4T 7T9 OR Fax: (306) 569-5132. The closing date for applications is September 7, 2011.

Application Deadline - 09/07/2011
