SEiMA is grateful for the ongoing support of:

Discover guaranteed value for your business growth opportunities in Mexico City & Monterrey. Environmental industry opportunities abound in Mexico, and **Canadian businesses are the partners of choice.**

We've taken many companies to Mexico to meet with Mexican business people who are looking for expertise and technologies that fit their needs. You could be their best option!

Attending this informational webinar creates no obligation to participate in the mission, but we're pretty confident that you will see the tremendous opportunity of doing so!

What you will learn from this free webinar:

- What market opportunities exist for Canadian companies in the Mexico City/Monterrey regions.
- How you can participate in this mission
- Proposed mission itinerary (meetings, receptions, networking opp's, etc.)

Note; one-on-one meetings with Mexican in-market development agents and Embassy officials can be arranged for the afternoon of July 28th. These meetings will take place in Saskatoon or by videoconference. If you are interested in arranging a one-on-one meeting please check the box below.
